SUBJECT: LEBANON: POLAND OPTIMISTIC ABOUT UNIFIL-PLUS

REF: SECSTATE 130906

Classified By: CDA Kenneth Hillas for reasons 1.4 (b) and (d).

(C) Henryk Szlajfer, Director for Americas Department at Polish MFA, told CDA that the new "UNIFIL-PLUS" approach to peacekeeping in Lebanon after a cessation of hostilities provides a new and more positive context for Polish decision-makers, increasing the likelihood of Polish participation at equal to or higher than the current UNIFIL deployment levels. Poland is considering "re-hatting" and or augmenting the 214 Polish UNIFIL troops already present in Lebanon to support a robust international stabilization force that will follow UNIFIL, and is keenly interested in what kind of mandate and rules of engagement it will have.
